

Job Title: RESEARCH ANALYST

Job Duties: Hood River Capital Management LLC in Palm Beach Gardens, FL is seeking Research Analyst to conduct quantitative analyses of information involving investment programs or financial data of public or private institutions.

Individuals will apply advanced theoretical knowledge of finance principles and concepts, as well as experience with forecasts of sales/earnings of publicly trading companies to perform the following job duties:

- Reading SEC filings to better understand publicly traded companies.
- Reading brokerage firm research reports to better understand publicly traded companies.
- Keeping up to date on news regarding Hood River's portfolio companies and assisting its Portfolio Managers on up-to-date news and how to interpret its implications.
- Preparing questions for Portfolio Managers when interviewing managers of publicly traded companies.
- Running or assisting to run calls with managers of publicly traded companies and with other sources of industry information.
- Building earning models to help forecast the fundamentals of publicly traded companies and communicating conclusions to Portfolio Managers.
- Building and updating comp sheets to better understand the valuation of publicly traded companies and communicating conclusions to Portfolio Managers.
- Identifying new companies to conduct research.

Minimum Requirements: MBA or Master's degree in Finance or any related field of study, plus at least two (2) years of experience in the job offered or in any related position(s).

Qualified applicants must also have demonstrable proficiency, skill, experience, and knowledge with the following:

1. Financial and investment analysis
2. Bloomberg Terminal
3. Microsoft Excel, Microsoft PowerPoint
4. Market data platforms (Reuters, Bloomberg, and Morningstar)

Requires 5% domestic travel. Work from home benefits are allowed within commuting distance of the office.
